\*\*\* External Email - Exercise Caution \*\*\*

We are residents directly behind 4200 Lullwood. We strongly object to a second story remodel and or addition. The neighborhood consists of SINGLE STORY, single family homes built in the 1940's and 1950's. A second story would allow for and change the landscape of the neighborhood and is located approximately 30' from my fence line.

Thank you,
